Item 1.01 Entry into a Material Definitive Agreement.

On August 31, 2022, Comera Life Sciences Holdings, Inc. (“we,” “us,” “our” or the “Company”) entered into a purchase agreement (the “Purchase Agreement”) with Arena Business Solutions Global SPC II, Ltd. (“Arena”), pursuant to which Arena has committed to purchase up to \$15 million (the “Commitment Amount”) of our common stock, par value \$0.0001 per share (the “Common Stock”), at our direction from time to time, subject to the satisfaction of the conditions in the Purchase Agreement. The Commitment Amount is subject to increase, at the Company’s option (the “Option”), by an additional \$15,000,000 of Common Stock (the “Additional Commitment Amount”).

Such sales of Common Stock, if any, will be subject to certain limitations, and may occur from time to time at our sole discretion over the approximately 36-month period commencing on the date of the Purchase Agreement, provided that a registration statement (the “Registration Statement”) covering the resale by Arena of the shares of Common Stock purchased from us (which we have agreed to file) is declared effective by the U.S. Securities and Exchange Commission (the “SEC”) and remains effective, and the other conditions set forth in the Purchase Agreement are satisfied.

Arena has no right to require us to sell any shares of Common Stock to Arena, but Arena is obligated to make purchases at our direction subject to certain conditions. There is no upper limit on the price per share that Arena could be obligated to pay for the Common Stock under the Purchase Agreement.

Actual sales of shares of Common Stock to Arena from time to time will depend on a variety of factors, including, among others, market conditions, the trading price of our Common Stock and determinations by us as to the appropriate sources of funding for us and our operations. The net proceeds that we may receive under the Purchase Agreement cannot be determined at this time, since it will depend on the frequency and prices at which we sell shares of our Common Stock to Arena, our ability to meet the conditions of the Purchase Agreement and the other limitations, terms and conditions of the Purchase Agreement. The Company expects that any proceeds received by the Company from such sales to Arena will be used for working capital and general corporate purposes.

Under the applicable rules of the Nasdaq Stock Market LLC (“Nasdaq”) and the Purchase Agreement, we will not sell or issue to Arena shares of our Common Stock in excess of 3,884,044 shares, inclusive of the Commitment Fee Shares (the “Exchange Cap”), which is 19.99% of the shares of Common Stock outstanding as of the date of the Purchase Agreement, unless (i) we obtain stockholder approval to issue shares of Common Stock in excess of the Exchange Cap or (ii) the average price of all applicable sales of shares of Common Stock under the Purchase Agreement (including the Commitment Fee Shares and the Additional Commitment Fee Shares described below in the number of shares sold for these purposes) equals or exceeds \$1.80 per share (which represents the lower of (i) the closing price of our Common Stock on Nasdaq (as reflected on Nasdaq.com) immediately preceding the signing of the Purchase Agreement or (ii) the average closing price of the Common Stock (as reflected on Nasdaq.com) for the five trading days immediately preceding the signing of the Purchase Agreement). In any event, we may not issue or sell any shares of our Common Stock under the Purchase Agreement if such issuance or sale would breach any applicable Nasdaq rules.

The Purchase Agreement also prohibits us from directing Arena to purchase any shares of Common Stock if those shares, when aggregated with all other shares of our Common Stock then beneficially owned by Arena and its affiliates as a result of purchases under the Purchase Agreement, would result in Arena and its affiliates having beneficial ownership of more than the 4.99% of our then outstanding Common Stock.

We may direct Arena to purchase amounts of our Common Stock under the Purchase Agreement that we specify from time to time in a written notice (an “Advance Notice”) delivered to Arena on any trading day up to the Commitment Amount, as increased by the Additional Commitment Amount, if applicable. The maximum amount that we may specify in any one Advance Notice is equal to the following: (A) if the Advance Notice is received by 8:30 A.M. Eastern time, then the maximum amount that we may specify is equal to the lesser of (i) an amount equal to thirty percent (30%) of the Daily Value Traded of the Common Stock of the ten trading days immediately preceding such Advance Notice, or (ii) \$10.0 million; and (B) if the Advance Notice is received after 8:30 A.M. Eastern Time but prior to 10:30 A.M. Eastern Time, then the maximum amount that we may specify in an Advance Notice is equal to the lower of: (i) an amount equal to twenty percent (20%) of the Daily Value Traded of the Common Stock on the ten trading days immediately preceding such Advance Notice and (ii) \$10.0 million. For

these purposes, “Daily Value Traded” is the product obtained by multiplying the daily trading volume of our Common Stock on Nasdaq during regular trading hours, as reported by Bloomberg L.P., by the VWAP (as defined in the Purchase Agreement) for that trading day. Subject to the satisfaction of the conditions under the Purchase Agreement, we may deliver Advance Notices from time to time, provided that the Pricing Period for all prior advances has been completed. For these purposes, “Pricing Period” means one trading day, as notified by the Company to Arena in the applicable Advance Notice, commencing on the date of the Advance Notice.

The purchase price of the shares of Common Stock will be equal to 96% of the simple average of the daily VWAP of the Common Stock during the Pricing Period.

Arena has agreed that, during the term of the Purchase Agreement, neither Arena nor any of its affiliates will engage in any short sales or hedging transactions with respect to our Common Stock, provided that upon receipt of an Advance Notice, Arena may sell shares that it is obligated to purchase under such Advance Notice prior to taking possession of such shares.

Unless earlier terminated as provided in the Purchase Agreement, the Purchase Agreement will terminate automatically on the earliest to occur of:

- the first day of the month next following the 36-month anniversary of the date of the Purchase Agreement; and
- the date on which Arena shall have purchased shares of Common Stock under the Purchase Agreement for an aggregate gross purchase price equal to Commitment Amount and the Additional Commitment Amount, if applicable, under the Purchase Agreement.

We have the right to terminate the Purchase Agreement at any time, at no cost or penalty, upon five trading days’ prior written notice to Arena, provided that there are no outstanding Advance Notices the shares of Common Stock under which have not yet been issued. We and Arena may also terminate the Purchase Agreement at any time by mutual written consent.

As consideration for Arena’s irrevocable commitment to purchase shares of the Company’s Common Stock upon the terms of and subject to satisfaction of the conditions set forth in the Purchase Agreement, upon execution of the Purchase Agreement, the Company has agreed to issue a total of \$650,000 worth of shares of Common Stock (the “Commitment Fee Shares”) based on a price per share equal to the simple average daily VWAP of the Common Stock during the ten trading days immediately preceding the date on which the SEC declares the Registration Statement effective, provided that we issue Arena a minimum of 65,000 shares as Commitment Fee Shares. Additionally, upon the execution of the Purchase Agreement, we agreed to issue 185,714 shares of Common Stock to Arena (the “Estimated Commitment Fee Shares”), provided that (i) in the event the number of the Commitment Fee Shares exceeds the number of Estimated Commitment Fee Shares the Company would issue a number of shares of Common Stock equal to the difference between the Commitment Fee Shares and the Estimated Commitment Fee Shares and (ii) in the event the number of the issued Estimated Commitment Fee Shares exceeds the Commitment Fee Shares, Arena shall return such excess shares. Additionally, if the Company exercises its Option under the Purchase Agreement, the Company has agreed to issue \$300,000 worth of shares of Common Stock (the “Additional Commitment Fee Shares”), based on a price per share equal to the simple average of the daily VWAP of the Common Stock during the ten trading days immediately preceding the date on which we notify Arena of our exercise of the Option.

The Purchase Agreement contains customary representations, warranties, conditions and indemnification obligations of the parties.

The foregoing description of the Purchase Agreement is qualified in its entirety by reference to the full text of such agreement, a copy of which is attached hereto as Exhibit 10.1, and which is incorporated herein in its entirety by reference.

This Current Report on Form 8-K (this “report”) shall not constitute an offer to sell or a solicitation of an offer to buy any shares of Common Stock in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or other jurisdiction.

Item 3.02 Unregistered Sales of Equity Securities.

The information contained in Item 1.01 of this report is hereby incorporated by reference into this Item 3.02.

In the Purchase Agreement, Arena represented to the Company, among other things, that it is an “accredited investor” (as such term is defined in Rule 501(a) of Regulation D under the Securities Act of 1933, as amended (the “Securities Act”). The securities referred to in this report are being issued and sold by the Company to Arena in reliance upon the exemption from the registration requirements of the Securities Act afforded by Section 4(a)(2) of the Securities Act.

Item 7.01 Regulation FD Disclosure.

On August 31, 2022, the Company issued a press release announcing the Company’s entry into the Purchase Agreement with Arena. A copy of the press release is set forth as Exhibit 99.1 and is incorporated by reference herein.

The information contained in this Item 7.01 of this report and Exhibit 99.1 attached hereto shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act or the Exchange Act, except as expressly set forth by specific reference in such a filing.

ARTICLE II
ADVANCES

Section 2.01 Advances; Mechanics. Subject to the terms and conditions of this Agreement (including, without limitation, the provisions of Article VII hereof), the Company, at its sole and exclusive option, may issue and sell to the Investor, and the Investor shall purchase from the Company, Common Shares on the following terms.

Section 2.02 Advance Notice. At any time during the Commitment Period, the Company may require the Investor to purchase Shares by delivering an Advance Notice to the Investor, subject to the conditions set forth in Section 7.01, and in accordance with the following provisions:

- (a) The Company shall, in its sole discretion, select the amount of the Advance, not to exceed the Maximum Advance Amount, it desires to issue and sell to the Investor in each Advance Notice and the time it desires to deliver each Advance Notice.
- (b) There shall be no mandatory minimum Advances and no non-usages fee for not utilizing the Commitment Amount or the Additional Commitment Amount, if applicable, or any part thereof.
- (c) The Company shall be limited to delivering one (1) Advance Notice to Investor per Trading Day.
- (d) The Advance Notice shall be valid upon delivery to Investor in accordance with Exhibit C.

Section 2.03 Date of Delivery of Advance Notice. An Advance Notice shall be deemed delivered on the day it is received by the Investor if such notice is received by email prior to 10:30 a.m. Eastern Time (or later if waived by the Investor in its sole discretion) in accordance with the instructions set forth on Exhibit C.

Section 2.04 Advance Limitations. Regardless of the amount of an Advance requested by the Company in the Advance Notice, the final amount of an Advance pursuant to an Advance Notice shall be reduced in accordance with each of the following limitations:

- (a) Ownership Limitation; Commitment Amount. In no event shall the number of Common Shares issuable to the Investor pursuant to an Advance cause the aggregate number of Common Shares beneficially owned (as calculated pursuant to Section 13(d) of the Exchange Act) by the Investor and its Affiliates as a result of previous issuances and sales of Common Shares to Investor under this Agreement to exceed 4.99% of the then outstanding Common Shares (the "Ownership Limitation"). In connection with each Advance Notice delivered by the Company, any portion of an Advance that would (i) cause the Investor to exceed the Ownership Limitation or (ii) cause the aggregate number of Shares issued and sold to the Investor hereunder to exceed the Commitment Amount and the Additional Commitment Amount, if applicable, shall automatically be withdrawn with no further action required by the Company, and such Advance Notice shall be deemed automatically modified to reduce the amount of the Advance requested by an amount equal to such withdrawn portion; provided that in the event of any such automatic withdrawal and automatic modification, Investor will promptly notify the Company of such event.

(b) **Registration Limitation.** In no event shall an Advance exceed the amount registered under the Registration Statement then in effect (the "**Registration Limitation**") or the Exchange Cap to the extent applicable. In connection with each Advance Notice, any portion of an Advance that would exceed the Registration Limitation or Exchange Cap shall automatically be withdrawn with no further action required by the Company and such Advance Notice shall be deemed automatically modified to reduce the aggregate amount of the requested Advance by an amount equal to such withdrawn portion in respect of each Advance Notice; provided that in the event of any such automatic withdrawal and automatic modification, Investor will promptly notify the Company of such event.

(c) Notwithstanding any other provision in this Agreement, the Company and the Investor acknowledge and agree that upon the Investor's receipt of a valid Advance Notice the parties shall be deemed to have entered into an unconditional contract binding on both parties for the purchase and sale of Shares pursuant to such Advance Notice in accordance with the terms of this Agreement and subject to Applicable Law and Section 3.08 (Trading Activities), the Investor may sell Common Shares during the Pricing Period.

Section 2.05 Closings. The closing of each Advance and each sale and purchase of Shares related to each Advance (each, a "**Closing**") shall take place as soon as practicable on or after each Advance Date in accordance with the procedures set forth below. The parties acknowledge that the Purchase Price is not known at the time the Advance Notice is delivered (at which time the Investor is irrevocably bound) but shall be determined on each Closing based on the daily prices of the Common Shares that are the inputs to the determination of the Purchase Price as set forth further below. In connection with each Closing, the Company and the Investor shall fulfill each of its obligations as set forth below:

(a) On each Advance Date, the Investor shall deliver to the Company a written document, in the form attached hereto as **Exhibit B** (each a "**Settlement Document**"), setting forth the final number of Shares to be purchased by the Investor (taking into account any adjustments pursuant to **Section 2.04**), the Market Price, the Purchase Price, the aggregate proceeds to be paid by the Investor to the Company, and a report by Bloomberg, L.P. indicating the VWAP for each of the Trading Days during the Pricing Period (or, if not reported on Bloomberg, L.P., another reporting service reasonably agreed to by the parties), in each case in accordance with the terms and conditions of this Agreement.

(b) Promptly after receipt of the Settlement Document with respect to each Advance (and, in any event, not later than two (2) Trading Days after such receipt), the Company will, or will cause its transfer agent to, electronically transfer such number of Shares to be purchased by the Investor (as set forth in the Settlement Document) by crediting the Investor's account or its designee's account at the Depository Trust Company through its Deposit Withdrawal at Custodian System or by such other means of delivery as may be mutually agreed upon by the parties hereto, and transmit notification to the Investor that such share transfer has been requested. The Company shall promptly notify Investor if it has reasonable grounds to dispute the calculations set forth in the Settlement Document, and the Company agrees that such calculations shall be deemed agree-upon and final upon transfer of the Shares. All Shares to be purchased by the Investor pursuant to an Advance Notice shall be issued electronically through DTC's Deposit/Withdrawal At Custodian system. Promptly upon receipt of such notification (in any

event, not later than three (3) Trading Days after such receipt), the Investor shall pay to the Company the aggregate purchase price of the Shares (as set forth in the Settlement Document) in cash in immediately available funds to an account designated by the Company in writing and transmit notification to the Company that such funds transfer has been requested. No fractional shares shall be issued, and any fractional amounts shall be rounded to the next higher whole number of shares. To facilitate the transfer of the Common Shares by the Investor, the Common Shares will not bear any restrictive legends so long as there is an effective Registration Statement covering such Common Shares (it being understood and agreed by the Investor that notwithstanding the lack of restrictive legends, the Investor may only sell such Common Shares pursuant to the plan of distribution set forth in the prospectus included in the Registration Statement and otherwise in compliance with the requirements of the Securities Act (including any applicable prospectus delivery requirements) or pursuant to an available exemption from its registration requirements).

(c) On or prior to the Advance Date, each of the Company and the Investor shall deliver to the other all documents, instruments and writings expressly required to be delivered by either of them pursuant to this Agreement in order to implement and effect the transactions contemplated herein.

(d) Notwithstanding anything to the contrary in this Agreement, if on any day during the Pricing Period (i) the Company notifies Investor that a Material Outside Event set forth in Section 6.08(i) through (v) has occurred or if the Material Outside Event set forth in Sections 6.08(vi) or (vii) shall have occurred, or (ii) the Company notifies the Investor of a Black Out Period, the parties agree that the pending Advance shall end (the "Advance Halt") and the final number of Shares to be purchased by the Investor at the Closing for such Advance shall be equal to the number of Common Shares sold by the Investor during the applicable Pricing Period prior to the notification from the Company of a Material Outside Event or Black Out Period.

Section 2.06 Failure to Timely Deliver.

(a) If on or prior to the Required Delivery Date either (I) if the transfer agent is not participating in the DTC Fast Automated Securities Transfer Program, the Company shall fail to issue and deliver a certificate to Investor and register such Common Shares on the Company's share register or, if the transfer agent is participating in the DTC Fast Automated Securities Transfer Program, credit the balance account of Investor or Investor's designee with DTC for the number of Common Shares to which Investor submitted for legend removal by Investor pursuant to clause (ii) below or otherwise or (II) if the Company's transfer agent is participating in the DTC Fast Automated Securities Transfer Program, the transfer agent fails to credit the balance account of Investor or Investor's designee with DTC for such number of Common Shares submitted for legend removal by Investor (i.e., Commitment Fee Shares issued on the date hereof or Additional Commitment Fee Shares, if any) and the Company fails to promptly, but in no event later than two (2) Business Days (x) so notify Investor and (y) deliver the Common Shares electronically without any restrictive legend (so long as there is an effective Registration Statement covering such Common Shares) by crediting such aggregate number of Common Shares submitted for legend removal by Investor to Investor's or its designee's balance account with DTC through its Deposit/Withdrawal At Custodian system, and if on or after such Trading Day Investor purchases (in an open market transaction or otherwise) Common Shares to deliver in satisfaction of a sale by

Investor of Common Shares submitted for legend removal by Investor that Investor is entitled to receive from the Company (a “Buy-In”), then the Company shall, within two (2) Business Days after Investor’s request and in Investor’s discretion, either (i) pay cash to Investor in an amount equal to Investor’s total purchase price (including brokerage commissions, borrow fees and other out-of-pocket expenses, if any, for the Common Shares so purchased) (the “Buy-In Price”), at which point the Company’s obligation to so deliver such certificate or credit Investor’s balance account shall terminate and such shares shall be cancelled, or (ii) promptly honor its obligation to so deliver to Investor a certificate or certificates or credit the balance account of Investor or Investor’s designee with DTC representing such number of Common Shares that would have been so delivered if the Company timely complied with its obligations hereunder and pay cash to Investor in an amount equal to the excess (if any) of the Buy-In Price over the product of (A) such number of Common Shares that the Company was required to deliver to Investor by the Required Delivery Date multiplied by (B) the price at which Investor sold such Common Shares in anticipation of the Company’s timely compliance with its delivery obligations hereunder. Nothing shall limit Investor’s right to pursue any other remedies available to it hereunder, at law or in equity, including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company’s failure to timely deliver certificates representing Common Shares (or to electronically deliver such Common Shares) as required pursuant to the terms hereof.

(b) In the event the Investor sells Common Shares after receipt of an Advance Notice and the Company fails to perform its obligations as mandated in Section 2.05, the Company agrees that in addition to and in no way limiting the rights and obligations set forth in Article V hereto and in addition to any other remedy to which the Investor is entitled at law or in equity, including, without limitation, specific performance, it will hold the Investor harmless against any loss, claim, damage, or expense (including, without limitation, all brokerage commissions, borrow fees, legal fees and expenses and all other related out-of-pocket expenses), as incurred, arising out of or in connection with such default by the Company and acknowledges that irreparable damage may occur in the event of any such default. It is accordingly agreed that the Investor shall be entitled to an injunction or injunctions to prevent such breaches of this Agreement and to specifically enforce (subject to the Securities Act and other rules of the Principal Market), without the posting of a bond or other security, the terms and provisions of this Agreement.

(c) In the event the Company provides an Advance Notice and the Investor fails to perform its obligations as mandated in Section 2.05, the Investor agrees that in addition to and in no way limiting the rights and obligations set forth in Article V hereto and in addition to any other remedy to which the Company is entitled at law or in equity, including, without limitation, specific performance, it will hold the Company harmless against any loss, claim, damage, or expense (including, without limitation, legal fees and expenses and all other related out-of-pocket expenses), as incurred, arising out of or in connection with such default by the Investor and acknowledges that irreparable damage may occur in the event of any such default. It is accordingly agreed that the Company shall be entitled to an injunction or injunctions to prevent such breaches of this Agreement and to specifically enforce (subject to the Securities Act and other rules of the Principal Market), without the posting of a bond or other security, the terms and provisions of this Agreement.

Section 2.07 Completion of Resale Pursuant to the Registration Statement. After the Investor has purchased the full Commitment Amount and the Additional Commitment Amount, if applicable, and has completed the subsequent resale of the full Commitment Amount and the Additional Commitment Amount, if applicable, pursuant to the Registration Statement, Investor will notify the Company that all subsequent resales are completed and the Company will be under no further obligation to maintain the effectiveness of the Registration Statement.

ARTICLE III REPRESENTATIONS AND WARRANTIES OF INVESTOR

Investor hereby represents and warrants to, and agrees with, the Company that the following are true and correct as of the date hereof and as of each Advance Notice Date and each Advance Date:

Section 3.01 Organization and Authorization. The Investor is duly organized, validly existing and in good standing under the laws of the Cayman Islands and has all requisite power and authority to execute, deliver and perform this Agreement, including all transactions contemplated hereby. The decision to invest and the execution and delivery of this Agreement by the Investor, the performance by the Investor of its obligations hereunder and the consummation by the Investor of the transactions contemplated hereby have been duly authorized and require no other proceedings on the part of the Investor. The undersigned has the right, power and authority to execute and deliver this Agreement and all other instruments on behalf of the Investor or its shareholders. This Agreement has been duly executed and delivered by the Investor and, assuming the execution and delivery hereof and acceptance thereof by the Company, will constitute the legal, valid and binding obligations of the Investor, enforceable against the Investor in accordance with its terms.

Section 3.02 Evaluation of Risks. The Investor has such knowledge and experience in financial, tax and business matters as to be capable of evaluating the merits and risks of, and bearing the economic risks entailed by, an investment in the Common Shares of the Company and of protecting its interests in connection with the transactions contemplated hereby. The Investor acknowledges and agrees that its investment in the Company involves a high degree of risk, and that the Investor may lose all or a part of its investment.

Section 3.03 No Legal, Investment or Tax Advice from the Company. The Investor acknowledges that it had the opportunity to review this Agreement and the transactions contemplated by this Agreement with its own legal counsel and investment and tax advisors. The Investor is relying solely on such counsel and advisors and not on any statements or representations of the Company or any of the Company's representatives or agents for legal, tax, investment or other advice with respect to the Investor's acquisition of Common Shares hereunder, the transactions contemplated by this Agreement or the laws of any jurisdiction, and the Investor acknowledges that the Investor may lose all or a part of its investment.

Section 3.04 Investment Purpose. The Investor is acquiring the Common Shares for its own account, for investment purposes and not with a view towards, or for resale in connection with, the public sale or distribution thereof, except pursuant to sales registered under or exempt from the registration requirements of the Securities Act; provided, however, that by making the representations herein, the Investor does not agree, or make any representation or warranty, to hold any of the Securities for any minimum or other specific term and reserves the right to dispose of

the Securities at any time in accordance with, or pursuant to, a registration statement filed pursuant to this Agreement or an applicable exemption under the Securities Act. The Investor does not presently have any agreement or understanding, directly or indirectly, with any Person to sell or distribute any of the Common Shares. The Investor acknowledges that it will be disclosed as an “underwriter” and a “selling stockholder” in each Registration Statement and in any prospectus contained therein.

Section 3.05 Accredited Investor. The Investor is an “Accredited Investor” as that term is defined in Rule 501(a)(3) of Regulation D.

Section 3.06 Information. The Investor and its advisors (and its counsel), if any, have been furnished with all materials relating to the business, finances and operations of the Company and information the Investor deemed material to making an informed investment decision. The Investor and its advisors (and its counsel), if any, have been afforded the opportunity to ask questions of the Company and its management and have received answers to such questions. Neither such inquiries nor any other due diligence investigations conducted by such Investor or its advisors (and its counsel), if any, or its representatives shall modify, amend or affect the Investor’s right to rely on the Company’s representations and warranties contained in this Agreement. The Investor acknowledges and agrees that the Company has not made to the Investor, and the Investor acknowledges and agrees it has not relied upon, any representations and warranties of the Company, its employees or any third party other than the representations and warranties of the Company contained in this Agreement. The Investor understands that its investment involves a high degree of risk. The Investor has sought such accounting, legal and tax advice, as it has considered necessary to make an informed investment decision with respect to the transactions contemplated hereby.

Section 3.07 Not an Affiliate. The Investor is not an officer, director or a person that directly, or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with the Company or any “affiliate” of the Company (as that term is defined in Rule 405 promulgated under the Securities Act).

Section 3.08 Trading Activities. The Investor’s trading activities with respect to the Common Shares shall be in compliance with all applicable federal and state securities laws, rules and regulations and the rules and regulations of the Principal Market. Neither the Investor nor its affiliates has any open short position in the Common Shares, nor has the Investor entered into any hedging transaction that establishes a net short position with respect to the Common Shares, and the Investor agrees that it shall not, and that it will cause its affiliates not to, engage in any short sales or hedging transactions with respect to the Common Shares; provided that the Company acknowledges and agrees that upon receipt of an Advance Notice the Investor has the right to sell (a) the Common Shares to be issued to the Investor pursuant to the Advance Notice prior to receiving such Common Shares, or (b) other Common Shares issued or sold by the Company to Investor pursuant to this Agreement and which the Company has continuously held as a long position.

Section 3.09 General Solicitation. Neither the Investor, nor any of its affiliates, nor any person acting on its or their behalf, has engaged or will engage in any form of general solicitation or general advertising (within the meaning of Regulation D) in connection with any offer or sale of the Common Shares by the Investor.

ARTICLE IV
REPRESENTATIONS AND WARRANTIES OF THE COMPANY

Except as set forth in the SEC Documents, or in the Disclosure Schedules, which Disclosure Schedules shall be deemed a part hereof and shall qualify any representation or warranty otherwise made herein to the extent of the disclosure contained in the corresponding section of the Disclosure Schedules or in another Section of the Disclosure Schedules, to the extent that it is reasonably apparent on the face of such disclosure that such disclosure is applicable to such Section, the Company represents and warrants to the Investor that, as of the date hereof and each Advance Notice Date (other than representations and warranties which address matters only as of a certain date, which shall be true and correct as written as of such certain date), that:

Section 4.01 Organization and Qualification. Each of the Company and its Subsidiaries (as defined below) is an entity duly organized and validly existing under the laws of its state of organization or incorporation, and has the requisite power and authority to own its properties and to carry on its business as now being conducted. Each of the Company and its Subsidiaries is duly qualified to do business and is in good standing (to the extent applicable) in every jurisdiction in which the nature of the business conducted by it makes such qualification necessary, except to the extent that the failure to be so qualified or be in good standing would not have a Material Adverse Effect. “Subsidiaries” means any Person (as defined below) in which the Company, directly or indirectly, (x) owns any of the outstanding capital stock or holds any equity or similar interest of such Person or (y) controls or operates all or any part of the business, operations or administration of such Person, and each of the foregoing, is individually referred to herein as a “Subsidiary.”

Section 4.02 Authorization, Enforcement, Compliance with Other Instruments. The Company has the requisite corporate power and authority to enter into and perform its obligations under this Agreement and the other Transaction Documents and to issue the Shares in accordance with the terms hereof and thereof. The execution and delivery by the Company of this Agreement and the other Transaction Documents, and the consummation by the Company of the transactions contemplated hereby and thereby (including, without limitation, the issuance of the Common Shares) have been or (with respect to consummation) will be duly authorized by the Company’s board of directors and no further consent or authorization will be required by the Company, its board of directors or its shareholders (except as otherwise contemplated by this Agreement). This Agreement and the other Transaction Documents to which it is a party have been (or, when executed and delivered, will be) duly executed and delivered by the Company and, assuming the execution and delivery thereof and acceptance by the Investor, constitute (or, when duly executed and delivered, will be) the legal, valid and binding obligations of the Company, enforceable against the Company in accordance with their respective terms, except as such enforceability may be limited by general principles of equity or applicable bankruptcy, insolvency, reorganization, moratorium, liquidation or other laws relating to, or affecting generally, the enforcement of applicable creditors’ rights and remedies and except as rights to indemnification and to contribution may be limited by federal or state securities law. “Transaction Documents” means, collectively, this Agreement and each of the other agreements and instruments entered into or delivered by any of the parties hereto in connection with the transactions contemplated hereby and thereby, as may be amended from time to time.

Section 4.03 No Conflict. The execution, delivery and performance of the Transaction Documents by the Company and the consummation by the Company of the transactions contemplated hereby and thereby (including, without limitation, the issuance of the Common Shares) will not (i) result in a violation of the certificate of incorporation or other organizational documents of the Company or its Subsidiaries (with respect to consummation, as the same may be amended prior to the date on which any of the transactions contemplated hereby are consummated), (ii) conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any agreement, indenture or instrument to which the Company or its Subsidiaries is a party, or (iii) result in a violation of any law, rule, regulation, order, judgment or decree (including federal and state securities laws and regulations) applicable to the Company or its Subsidiaries or by which any property or asset of the Company or its Subsidiaries is bound or affected except, in the case of clause (ii) or (iii) above, to the extent such violations or conflicts would not reasonably be expected to have a Material Adverse Effect.

Section 4.04 SEC Documents; Financial Statements. The Company has filed all reports, schedules, forms, statements and other documents required to be filed by it with the SEC pursuant to the Exchange Act for the two years preceding the date hereof (or such shorter period as the Company was required by law or regulation to file such material) (all of the foregoing filed within two years preceding the date hereof or amended after the date hereof, or filed after the date hereof, and all exhibits included therein and financial statements and schedules thereto and documents incorporated by reference therein, and all registration statements filed by the Company under the Securities Act, being hereinafter referred to as the “SEC Documents”). The Company has made available to the Investor through the SEC’s website at <http://www.sec.gov>, true and complete copies of the SEC Documents, and none of the SEC Documents, when viewed as a whole as of the date hereof, contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. As of their respective dates (or, with respect to any filing that has been amended or superseded, the date of such amendment or superseding filing), the SEC Documents complied in all material respects with the requirements of the Exchange Act or the Securities Act, as applicable, and the rules and regulations of the SEC promulgated thereunder applicable to the SEC Documents. As of their respective dates (or, with respect to any financial statements that have been amended or superseded, the date of such amended or superseding financial statements), the financial statements of the Company included in the SEC Documents complied as to form in all material respects with applicable accounting requirements and the published rules and regulations of the SEC with respect thereto. Such financial statements have been prepared in accordance with generally accepted accounting principles, consistently applied, during the periods involved (except (i) as may be otherwise indicated in such financial statements or the notes thereto, or (ii) in the case of unaudited interim statements, to the extent they may exclude footnotes or may be condensed or summary statements) and fairly present in all material respects the financial position of the Company as of the respective dates thereof and the results of its operations and cash flows for the periods then ended (subject, in the case of unaudited statements, to normal year-end audit adjustments).

Section 4.05 Equity Capitalization. As of the date hereof, the authorized capital of the Company consists of 151,000,000 shares of capital stock, consisting of 150,000,000 shares of common stock, par value \$0.0001 per share, and 1,000,000 shares of preferred stock, par value \$0.0001 per share, of which 4,305 shares have been designated as Series A Convertible Perpetual Preferred Stock (“Series A Preferred Stock”) and 995,695 are undesignated shares of preferred stock. As of the date hereof, the Company had 19,087,185 Common Shares outstanding, 3,150,000 of which are being held in escrow pursuant to the earn-out provision relating to the Business Combination Agreement, and 4,305 shares of Series of Series A Preferred Stock outstanding, convertible into 342,754 Common Shares.

Section 4.06 Intellectual Property Rights. The Company and its Subsidiaries own or possess adequate rights or licenses to use all trademarks, trade names, service marks, service mark registrations, service names, patents, patent rights, copyrights, inventions, licenses, approvals, governmental authorizations, trade secrets and rights, if any, necessary to conduct their respective businesses as now conducted, except as would not cause a Material Adverse Effect. The Company and its Subsidiaries have not received written notice of any infringement by the Company or its Subsidiaries of trademark, trade name rights, patents, patent rights, copyrights, inventions, licenses, service names, service marks, service mark registrations, or trade secrets. To the knowledge of the Company, there is no claim, action or proceeding being made or brought against, or to the Company’s knowledge, being threatened against the Company or its Subsidiaries regarding any material trademark, trade name, patents, patent rights, invention, copyright, license, service names, service marks, service mark registrations, trade secret or other infringement; and the Company is not aware of any facts or circumstances which might give rise to any of the foregoing.

Section 4.07 Employee Relations. Neither the Company nor any of its Subsidiaries is involved in any labor dispute nor, to the knowledge of the Company or any of its Subsidiaries, is any such dispute threatened, in each case which is reasonably likely to cause a Material Adverse Effect.

Section 4.08 Environmental Laws. The Company and its Subsidiaries (i) have not received written notice alleging any failure to comply in all material respects with all Environmental Laws (as defined below), (ii) have received all permits, licenses or other approvals required of them under applicable Environmental Laws to conduct their respective businesses and (iii) have not received written notice alleging any failure to comply with all terms and conditions of any such permit, license or approval where, in each of the foregoing clauses (i), (ii) and (iii), the failure to so comply would be reasonably expected to have, individually or in the aggregate, a Material Adverse Effect. The term “Environmental Laws” means all applicable federal, state and local laws relating to pollution or protection of human health or the environment (including, without limitation, ambient air, surface water, groundwater, land surface or subsurface strata), including, without limitation, laws relating to emissions, discharges, releases or threatened releases of chemicals, pollutants, contaminants, or toxic or hazardous substances or wastes (collectively, “Hazardous Materials”) into the environment, or otherwise relating to the manufacture, processing, distribution, use, treatment, storage, disposal, transport or handling of Hazardous Materials, as well as all authorizations, codes, decrees, demands or demand letters, injunctions, judgments, licenses, notices or notice letters, orders, permits, plans or regulations issued, entered, promulgated or approved thereunder.

Section 4.09 Title. Except as would not cause a Material Adverse Effect, the Company (or its Subsidiaries) have indefeasible fee simple or leasehold title to its properties and assets owned by it, free and clear of any pledge, lien, security interest, encumbrance, claim or equitable interest. Any real property and facilities held under lease by the Company and its Subsidiaries are held by them under valid, subsisting and enforceable leases with such exceptions as are not material and do not interfere with the use made and proposed to be made of such property and buildings by the Company and its Subsidiaries.

Section 4.10 Insurance. The Company and each of its Subsidiaries are insured by insurers of recognized financial responsibility against such losses and risks and in such amounts as management of the Company believes to be prudent and customary in the businesses in which the Company and its Subsidiaries are engaged. The Company has no reason to believe that it will not be able to renew its existing insurance coverage as and when such coverage expires or to obtain similar coverage from similar insurers as may be necessary to continue its business at a cost that would not have a Material Adverse Effect.

Section 4.11 Regulatory Permits. Except as would not cause a Material Adverse Effect, the Company and its Subsidiaries possess all certificates, authorizations and permits issued by the appropriate federal, state or foreign regulatory authorities necessary to own their respective businesses, and neither the Company nor any such Subsidiary has received any written notice of proceedings relating to the revocation or modification of any such certificate, authorization or permits.

Section 4.12 Internal Accounting Controls. The Company maintains a system of internal accounting controls sufficient to provide reasonable assurance that (i) transactions are executed in accordance with management's general or specific authorizations, (ii) transactions are recorded as necessary to permit preparation of financial statements in conformity with generally accepted accounting principles and to maintain asset accountability, (iii) access to assets is permitted only in accordance with management's general or specific authorization and (iv) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences, and management is not aware of any material weaknesses that are not disclosed in the SEC Documents as and when required.

Section 4.13 Absence of Litigation. There is no action, suit, proceeding, inquiry or investigation before or by any court, public board, government agency, self-regulatory organization or body pending against or affecting the Company, the Common Shares or any of the Company's Subsidiaries, wherein an unfavorable decision, ruling or finding would have a Material Adverse Effect.

Section 4.14 Subsidiaries. As of the date hereof, the Company does not own or control, directly or indirectly, any interest in any other corporation, partnership, association or other business entity other than its wholly owned subsidiaries, Comera Life Sciences, Inc. and OTR Acquisition Corp.

Section 4.15 Tax Status. Except as would not have a Material Adverse Effect, each of the Company and its Subsidiaries (i) has timely made or filed all foreign, federal and state income and all other tax returns, reports and declarations required by any jurisdiction to which it is subject,

(ii) has timely paid all taxes and other governmental assessments and charges that are material in amount, shown or determined to be due on such returns, reports and declarations, except those being contested in good faith and (iii) has set aside on its books provision reasonably adequate for the payment of all taxes for periods subsequent to the periods to which such returns, reports or declarations apply. The Company has not received written notification any unpaid taxes in any material amount claimed to be due by the taxing authority of any jurisdiction, and the officers of the Company and its Subsidiaries know of no basis for any such claim where failure to pay would cause a Material Adverse Effect.

Section 4.16 Certain Transactions. Except as not required to be disclosed pursuant to Applicable Law (including, for the avoidance of doubt, not yet required to be disclosed at the relevant time), none of the officers or directors of the Company is presently a party to any transaction with the Company (other than for services as employees, officers and directors), including any contract, agreement or other arrangement providing for the furnishing of services to or by, providing for rental of real or personal property to or from, or otherwise requiring payments to or from any officer or director, or to the knowledge of the Company, any corporation, partnership, trust or other entity in which any officer or director has a substantial interest or is an officer, director, trustee or partner.

Section 4.17 Rights of First Refusal. The Company is not obligated to offer the Common Shares offered hereunder on a right of first refusal basis or otherwise to any third parties including, but not limited to, current or former shareholders of the Company, underwriters, brokers, agents or other third parties.

Section 4.18 Dilution. The Company is aware and acknowledges that issuance of Common Shares hereunder could cause dilution to existing shareholders and could significantly increase the outstanding number of Common Shares.

Section 4.19 Acknowledgment Regarding Investor's Purchase of Shares. The Company acknowledges and agrees that the Investor is acting solely in the capacity of an arm's length investor with respect to this Agreement and the transactions contemplated hereunder. The Company further acknowledges that the Investor is not acting as a financial advisor or fiduciary of the Company (or in any similar capacity) with respect to this Agreement and the transactions contemplated hereunder and any advice given by the Investor or any of its representatives or agents in connection with this Agreement and the transactions contemplated hereunder is merely incidental to the Investor's purchase of the Shares hereunder. The Company is aware and acknowledges that it shall not be able to request Advances under this Agreement if the Registration Statement is not effective or if any issuances of Common Shares pursuant to any Advances would violate any rules of the Principal Market.

Section 4.20 Sanctions Matters. Neither the Company, nor any Subsidiary of the Company, nor, to the Company's knowledge, any director, officer, agent, employee or affiliate of the Company or any Subsidiary of the Company, is a Person that is, or is owned or controlled by a Person that is on the list of Specially Designated Nationals and Blocked Persons maintained by OFAC from time to time;

- (a) the subject of any Sanctions; or

(b) has a place of business in, or is operating, organized, resident or doing business in a country or territory that is, or whose government is, the subject of Sanctions Programs (including without limitation Crimea, Cuba, Iran, North Korea, Sudan and Syria).

Section 4.21 DTC Eligibility. The Company, through the transfer agent, currently participates in the DTC Fast Automated Securities Transfer (FAST) Program and the Common Shares can be transferred electronically to third parties via the DTC Fast Automated Securities Transfer (FAST) Program.

ARTICLE V INDEMNIFICATION

The Investor and the Company represent to the other the following with respect to itself:

Section 5.01 Indemnification by the Company. In consideration of the Investor's execution and delivery of this Agreement, and in addition to all of the Company's other obligations under this Agreement, the Company shall defend, protect, indemnify and hold harmless the Investor, its investment manager, and each of their respective officers, directors, managers, members, partners, employees and agents (including, without limitation, those retained in connection with the transactions contemplated by this Agreement) and each person who controls the Investor within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the "Investor Indemnitees") from and against any and all actions, causes of action, suits, claims, losses, costs, penalties, fees, liabilities and damages, and reasonable and documented expenses in connection therewith (irrespective of whether any such Investor Indemnitee is a party to the action for which indemnification hereunder is sought), and including reasonable attorneys' fees and disbursements (the "Indemnified Liabilities"), incurred by the Investor Indemnitees or any of them as a result of, or arising out of, or relating to (a) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement for the registration of the Shares as originally filed or in any amendment thereof, or in any related prospectus, or in any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading; provided, however, that the Company will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Company by or on behalf of the Investor specifically for inclusion therein; (b) any material misrepresentation or breach of any material representation or material warranty made by the Company in this Agreement or any other certificate, instrument or document contemplated hereby or thereby; or (c) any material breach of any material covenant, material agreement or material obligation of the Company contained in this Agreement or any other certificate, instrument or document contemplated hereby or thereby. To the extent that the foregoing undertaking by the Company may be unenforceable under Applicable Law, the Company shall make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities, which is permissible under Applicable Law.

Section 5.02 Indemnification by the Investor. In consideration of the Company's execution and delivery of this Agreement, and in addition to all of the Investor's other obligations under this Agreement, the Investor shall defend, protect, indemnify and hold harmless the Company and all of its officers, directors, shareholders, employees and agents (including, without limitation, those retained in connection with the transactions contemplated by this Agreement) and each person who controls the Investor within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the "Company Indemnitees") from and against any and all Indemnified Liabilities incurred by the Company Indemnitees or any of them as a result of, or arising out of, or relating to (a) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement for the registration of the Shares as originally filed or in any amendment thereof, or in any related prospectus, or in any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading; provided, however, that the Investor will only be liable for written information relating to the Investor furnished to the Company by or on behalf of the Investor specifically for inclusion in the documents referred to in the foregoing indemnity, and will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Investor by or on behalf of the Company specifically for inclusion therein; (b) any misrepresentation or breach of any representation or warranty made by the Investor in this Agreement or any instrument or document contemplated hereby or thereby executed by the Investor; or (c) any breach of any covenant, agreement or obligation of the Investor(s) contained in this Agreement or any other certificate, instrument or document contemplated hereby or thereby executed by the Investor. To the extent that the foregoing undertaking by the Investor may be unenforceable under Applicable Law, the Investor shall make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities, which is permissible under Applicable Law.

Section 5.03 Notice of Claim. Promptly after receipt by an Investor Indemnitee or Company Indemnitee of notice of the commencement of any action or proceeding (including any governmental action or proceeding) involving an Indemnified Liability, such Investor Indemnitee or Company Indemnitee, as applicable, shall, if a claim for an Indemnified Liability in respect thereof is to be made against any indemnifying party under this Article V, deliver to the indemnifying party a written notice of the commencement thereof; but the failure to so notify the indemnifying party will not relieve it of liability under this Article V except to the extent the indemnifying party is prejudiced by such failure. The indemnifying party shall have the right to participate in, and, to the extent the indemnifying party so desires, jointly with any other indemnifying party similarly noticed, to assume control of the defense thereof with counsel mutually reasonably satisfactory to the indemnifying party and the Investor Indemnitee or Company Indemnitee, as the case may be; provided, however, that an Investor Indemnitee or Company Indemnitee shall have the right to retain its own counsel with the actual and reasonable third party fees and expenses of not more than one counsel for such Investor Indemnitee or Company Indemnitee to be paid by the indemnifying party, if, in the reasonable opinion of counsel retained by the indemnifying party, the representation by such counsel of the Investor Indemnitee or Company Indemnitee and the indemnifying party would be inappropriate due to actual or potential differing interests between such Investor Indemnitee or Company Indemnitee and any other party represented by such counsel in such proceeding. The Investor Indemnitee or Company Indemnitee shall cooperate fully with the indemnifying party in connection with any negotiation or defense of any such action or claim by the indemnifying party and shall furnish to the

indemnifying party all information reasonably available to the Investor Indemnitee or Company Indemnitee which relates to such action or claim. The indemnifying party shall keep the Investor Indemnitee or Company Indemnitee reasonably apprised as to the status of the defense or any settlement negotiations with respect thereto. No indemnifying party shall be liable for any settlement of any action, claim or proceeding effected without its prior written consent, provided, however, that the indemnifying party shall not unreasonably withhold, delay or condition its consent. No indemnifying party shall, without the prior written consent of the Investor Indemnitee or Company Indemnitee, consent to entry of any judgment or enter into any settlement or other compromise which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Investor Indemnitee or Company Indemnitee of a release from all liability in respect to such claim or litigation. Following indemnification as provided for hereunder, the indemnifying party shall be subrogated to all rights of the Investor Indemnitee or Company Indemnitee with respect to all third parties, firms or corporations relating to the matter for which indemnification has been made. The indemnification required by this Article V shall be made by periodic payments of the amount thereof during the course of the investigation or defense, as and when bills are received and payment therefor is due, subject to receipt by the indemnifying party of an undertaking to repay any amounts that such party is ultimately not entitled to receive as indemnification pursuant to this Agreement.

Section 5.04 Remedies. The remedies provided for in this Article V are not exclusive and shall not limit any right or remedy which may be available to any indemnified person at law or equity. The obligations of the parties to indemnify or make contribution under this Article V shall survive expiration or termination of this Agreement.

Section 5.05 Limitation of Liability. Notwithstanding the foregoing, no party shall be entitled to recover from the other party for punitive, indirect, incidental or consequential damages.

ARTICLE VI COVENANTS OF THE COMPANY

Section 6.01 Registration Statement.

(a) Filing of a Registration Statement. As promptly as practicable following the date of this Agreement but in no event later than thirty (30) calendar days from the date hereof, the Company shall prepare and file with the SEC a Registration Statement for the resale by the Investor of Registrable Securities and shall file one or more additional Registration Statements for the resale by Investor of Registrable Securities if necessary. The Company acknowledges and agrees that it shall not have the ability to request any Advances until the effectiveness of a Registration Statement registering the applicable Registrable Securities for resale by the Investor.

(b) Maintaining a Registration Statement. The Company shall use commercially reasonable efforts to maintain the effectiveness of any Registration Statement that has been declared effective at all times during the Commitment Period, provided, however, that if the Company has received notification pursuant to Section 2.04 that the Investor has completed resales pursuant to the Registration Statement for the full Commitment Amount and the Additional Commitment Amount, if applicable, then the Company shall be under no further obligation to maintain the effectiveness of the Registration Statement. Notwithstanding anything to the contrary

contained in this Agreement, the Company shall use commercially reasonable efforts to ensure that, when filed, each Registration Statement (including, without limitation, all amendments and supplements thereto) and the prospectus (including, without limitation, all amendments and supplements thereto) used in connection with such Registration Statement shall not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein, or necessary to make the statements therein (in the case of prospectuses, in the light of the circumstances in which they were made) not misleading. During the Commitment Period, the Company shall notify the Investor promptly if (i) the Registration Statement shall cease to be effective under the Securities Act, (ii) the Common Shares shall cease to be authorized for listing on the Principal Market, (iii) the Common Shares cease to be registered under Section 12(b) or Section 12(g) of the Exchange Act or (iv) the Company fails to file in a timely manner all reports and other documents required of it as a reporting company under the Exchange Act.

(c) Filing Procedures. Not less than one business day prior to the filing of a Registration Statement and not less than one business day prior to the filing of any related amendments and supplements to any Registration Statements (except for any amendments or supplements caused by the filing of any annual reports on Form 10-K, quarterly reports on Form 10-Q, current reports on Form 8-K, and any similar or successor reports), the Company shall furnish to the Investor copies of all such documents proposed to be filed, which documents (other than those filed pursuant to Rule 424 promulgated under the Securities Act) will be subject to the reasonable and prompt review of the Investor (in each of which cases, if such document contains material non-public information as consented to by the Investor pursuant to Section 6.13, the information provided to Investor will be kept strictly confidential until filed and treated as subject to Section 6.08). The Investor shall furnish comments on a Registration Statement and any related amendment and supplement to a Registration Statement to the Company within 24 hours of the receipt thereof. If the Investor fails to provide comments to the Company within such 24-hour period, then the Registration Statement, related amendment or related supplement, as applicable, shall be deemed accepted by the Investor in the form originally delivered by the Company to the Investor.

(d) Delivery of Final Documents. The Company shall furnish to the Investor without charge, (i) at least one copy of each Registration Statement as declared effective by the SEC and any amendment(s) thereto, including financial statements and schedules, all documents incorporated therein by reference, all exhibits and each preliminary prospectus, (ii) at the request of the Investor, at least one copy of the final prospectus included in such Registration Statement and all amendments and supplements thereto (or such other number of copies as the Investor may reasonably request) and (iii) such other documents as the Investor may reasonably request from time to time in order to facilitate the disposition of the Common Shares owned by the Investor pursuant to a Registration Statement. Filing of the forgoing with the SEC via its EDGAR system shall satisfy the requirements of this section.

(e) Amendments and Other Filings. The Company shall use commercially reasonable efforts to (i) prepare and file with the SEC such amendments (including post-effective amendments) and supplements to a Registration Statement and the related prospectus used in connection with such Registration Statement, which prospectus is to be filed pursuant to Rule 424 promulgated under the Securities Act, as may be necessary to keep such Registration Statement effective at all times during the Commitment Period, and prepare and file with the SEC such

additional Registration Statements in order to register for resale under the Securities Act all of the Registrable Securities; (ii) cause the related prospectus to be amended or supplemented by any required prospectus supplement (subject to the terms of this Agreement), and as so supplemented or amended to be filed pursuant to Rule 424 promulgated under the Securities Act; (iii) provide the Investor copies of all correspondence from and to the SEC relating to a Registration Statement (provided that the Company may excise any information contained therein which would constitute material non-public information), and (iv) comply with the provisions of the Securities Act with respect to the disposition of all Common Shares of the Company covered by such Registration Statement until such time as all of such Common Shares shall have been disposed of in accordance with the intended methods of disposition by the seller or sellers thereof as set forth in such Registration Statement. In the case of amendments and supplements to a Registration Statement which are required to be filed pursuant to this Agreement (including pursuant to this Section 6.01(e)) by reason of the Company's filing a report on Form 10-K, Form 10-Q, or Form 8-K or any analogous report under the Exchange Act, the Company shall use commercially reasonable efforts to file such report in a prospectus supplement filed pursuant to Rule 424 promulgated under the Securities Act to incorporate such filing into the Registration Statement, if applicable, or shall file such amendments or supplements with the SEC either on the day on which the Exchange Act report is filed which created the requirement for the Company to amend or supplement the Registration Statement, if feasible, or otherwise promptly thereafter.

(f) Blue-Sky. The Company shall use its commercially reasonable efforts to, if required by Applicable Law, (i) register and qualify the Common Shares covered by a Registration Statement under such other securities or "blue sky" laws of such jurisdictions in the United States as the Investor reasonably requests, (ii) prepare and file in those jurisdictions, such amendments (including post-effective amendments) and supplements to such registrations and qualifications as may be necessary to maintain the effectiveness thereof during the Commitment Period, (iii) take such other actions as may be necessary to maintain such registrations and qualifications in effect at all times during the Commitment Period, and (iv) take all other actions reasonably necessary or advisable to qualify the Common Shares for sale in such jurisdictions; provided, however, that the Company shall not be required in connection therewith or as a condition thereto to (w) make any change to its Articles of Incorporation or Bylaws, (x) qualify to do business in any jurisdiction where it would not otherwise be required to qualify but for this Section 6.01(f), (y) subject itself to general taxation in any such jurisdiction, or (z) file a general consent to service of process in any such jurisdiction. The Company shall promptly notify the Investor of the receipt by the Company of any notification with respect to the suspension of the registration or qualification of any of the Common Shares for sale under the securities or "blue sky" laws of any jurisdiction in the United States or its receipt of actual notice of the initiation or threat of any proceeding for such purpose.

Section 6.02 Suspension of Registration Statement.

(a) Establishment of a Black Out Period. During the Commitment Period, the Company from time to time may suspend the use of the Registration Statement by written notice to the Investor in the event that the Company determines in its sole discretion in good faith that such suspension is necessary to (A) delay the disclosure of material nonpublic information concerning the Company, the disclosure of which at the time is not, in the good faith opinion of the Company, in the best interests of the Company or (B) amend or supplement the Registration

Statement or prospectus so that such Registration Statement or prospectus shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading (a “Black Out Period”).

(b) No Sales by Investor During the Black Out Period. During such Black Out Period, the Investor agrees not to sell any Common Shares of the Company.

(c) Limitations on the Black Out Period. The Company shall not impose any Black Out Period that is longer than 60 days or in a manner that is more restrictive (including, without limitation, as to duration) than the comparable restrictions that the Company may impose on transfers of the Company’s equity securities by its directors and senior executive officers. In addition, the Company shall not deliver any Advance Notice during any Black Out Period. If the public announcement of such material, nonpublic information is made during a Black Out Period, the Black Out Period shall terminate immediately after such announcement, and the Company shall immediately notify the Investor of the termination of the Black Out Period.

Section 6.03 Listing of Common Shares. As of each Advance Date, the Shares to be sold by the Company from time to time hereunder will have been registered under Section 12(b) of the Exchange Act and approved for listing on the Principal Market, subject to official notice of issuance.

Section 6.04 Opinion of Counsel. Prior to the date of the delivery by the Company of the first Advance Notice, the Investor shall have received an opinion letter and negative assurances letter from counsel to the Company in form and substance reasonably satisfactory to the Investor.

Section 6.05 Exchange Act Registration. The Company will use commercially reasonable efforts to file in a timely manner all reports and other documents required of it as a reporting company under the Exchange Act and will not take any action or file any document (whether or not permitted by Exchange Act or the rules thereunder) to terminate or suspend its reporting and filing obligations under the Exchange Act.

Section 6.06 Transfer Agent Instructions. For any time while there is a Registration Statement in effect for this transaction, the Company shall (if required by the transfer agent for the Common Shares) cause legal counsel for the Company to deliver to the transfer agent for the Common Shares (with a copy to the Investor) instructions to issue Common Shares to the Investor free of restrictive legends upon each Advance if the delivery of such instructions are consistent with Applicable Law.

Section 6.07 Corporate Existence. The Company will use commercially reasonable efforts to preserve and continue the corporate existence of the Company during the Commitment Period.

Section 6.08 Notice of Certain Events Affecting Registration; Suspension of Right to Make an Advance. The Company will promptly notify the Investor, and confirm in writing, upon its becoming aware of the occurrence of any of the following events in respect of a Registration Statement or related prospectus relating to an offering of Common Shares (in each of which cases the information provided to Investor will be kept strictly confidential): (i) except for requests made

in connection with SEC or other Federal or state governmental authority investigations disclosed in the SEC Documents, receipt of any request for additional information by the SEC or any other Federal or state governmental authority during the period of effectiveness of the Registration Statement or any request for amendments or supplements to the Registration Statement or related prospectus; (ii) the issuance by the SEC or any other Federal governmental authority of any stop order suspending the effectiveness of the Registration Statement or the initiation of any proceedings for that purpose; (iii) receipt of any notification with respect to the suspension of the qualification or exemption from qualification of any of the Common Shares for sale in any jurisdiction or the initiation or written threat of any proceeding for such purpose; (iv) the happening of any event that makes any statement made in the Registration Statement or related prospectus or any document incorporated or deemed to be incorporated therein by reference untrue in any material respect or that requires the making of any changes in the Registration Statement, related prospectus or documents so that, in the case of the Registration Statement, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading, and that in the case of the related prospectus, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, or of the necessity to amend the Registration Statement or supplement a related prospectus to comply with the Securities Act or any other law; and (v) the Company's reasonable determination that a post-effective amendment to the Registration Statement would be appropriate; and the Company will promptly make available to the Investor any such supplement or amendment to the related prospectus. The Company shall not deliver to the Investor any Advance Notice, and the Company shall not sell any Shares pursuant any pending Advance Notice (other than as required pursuant to Section 2.05(d)), during the continuation of any of the foregoing events in clauses (i) through (v) above, or in the event that (vi) there shall be no bid for the Common Shares on the Principal Market for a period of 15 consecutive minutes at any time during the applicable Pricing Period or (vii) there shall be a "trading halt" or circuit breaker" event with respect to the Common Shares on the Principal Market during the applicable Pricing Period (each of the events described in the immediately preceding clauses (i) through (vii), inclusive, a "Material Outside Event").

Section 6.09 Consolidation. If an Advance Notice has been delivered to the Investor, then the Company shall not effect any consolidation of the Company with or into, or a transfer of all or substantially all the assets of the Company to another entity before the transaction contemplated in such Advance Notice has been closed in accordance with Section 2.05 hereof, and all Shares in connection with such Advance have been received by the Investor.

Section 6.10 Issuance of the Company's Common Shares. The issuance and sale of the Common Shares hereunder shall be made in accordance with the provisions and requirements of Section 4(a)(2) of the Securities Act or Regulation D under the Securities Act and any applicable state securities law.

Section 6.11 Market Activities. The Company will not, directly or indirectly, take any action designed to cause or result in, or that constitutes or might reasonably be expected to constitute, the stabilization or manipulation of the price of any security of the Company under Regulation M of the Exchange Act.

Section 6.12 Expenses. The Company, whether or not the transactions contemplated hereunder are consummated or this Agreement is terminated, will pay all expenses incident to the performance of its obligations hereunder, including but not limited to (i) the preparation, printing and filing of the Registration Statement and each amendment and supplement thereto, of each prospectus and of each amendment and supplement thereto; (ii) the preparation, issuance and delivery of any Shares issued pursuant to this Agreement, (iii) all reasonable fees and disbursements of the Company's counsel, accountants and other advisors (but not, for the avoidance of doubt, the fees and disbursements of Investor's counsel, accountants and other advisors), (iv) the qualification of the Shares under securities laws in accordance with the provisions of this Agreement, including filing fees in connection therewith, (v) the printing and delivery of copies of any prospectus and any amendments or supplements thereto, (vi) the fees and expenses incurred in connection with the listing or qualification of the Shares for trading on the Principal Market, or (vii) filing fees of the SEC and the Principal Market.

Section 6.13 Current Report. The Company shall not, and the Company shall cause each of its Subsidiaries and each of its and their respective officers, directors, employees and agents not to, provide the Investor with any material, non-public information regarding the Company or any of its Subsidiaries without the express prior written consent of the Investor (which may be granted or withheld in the Investor's sole discretion and must include an agreement to keep such information confidential until publicly disclosed or 45 days have passed); it being understood that the mere notification of Investor required pursuant to Section 6.08(iv) hereof shall not in and of itself be deemed to be material non-public information. Notwithstanding anything contained in this Agreement to the contrary, the Company expressly agrees that it shall publicly disclose, no later than 45 days following the date hereof, but in any event prior to delivering the first Advance Notice hereunder, any information communicated to the Investor by or, to the knowledge of the Company, on behalf of the Company in connection with the transactions contemplated herein, which, following the date hereof would, if not so disclosed, constitute material, non-public information regarding the Company or its Subsidiaries.

Section 6.14 Advance Notice Limitation. The Company shall not deliver an Advance Notice if a shareholder meeting or corporate action date, or the record date for any shareholder meeting or any corporate action, would fall during the period beginning two Trading Days prior to the date of delivery of such Advance Notice and ending two Trading Days following the Closing of such Advance.

Section 6.15 Use of Proceeds. The Company will use the proceeds from the sale of the Common Shares hereunder for working capital and other general corporate purposes or, if different, in a manner consistent with the application thereof described in the Registration Statement. Neither the Company nor any Subsidiary will, directly or indirectly, use the proceeds of the transactions contemplated herein, or lend, contribute, facilitate or otherwise make available such proceeds to any Person (i) to fund, either directly or indirectly, any activities or business of or with any Person that is identified on the list of Specially Designated Nationals and Blocker Persons maintained by OFAC, or in any country or territory, that, at the time of such funding, is, or whose government is, the subject of Sanctions or Sanctions Programs, or (ii) in any other manner that will result in a violation of Sanctions.

Section 6.16 Compliance with Laws. The Company shall comply in all material respects with all Applicable Laws.

Section 6.17 Aggregation. From and after the date of this Agreement, neither the Company, nor or any of its affiliates will, and the Company shall use its commercially reasonable efforts to ensure that no Person acting on their behalf will, directly or indirectly, make any offers or sales of any security or solicit any offers to buy any security, under circumstances that would cause this offering of the Securities by the Company to the Investor to be aggregated with other offerings by the Company in a manner that would require shareholder approval pursuant to the rules of the Principal Market on which any of the securities of the Company are listed or designated, unless shareholder approval is obtained before the closing of such subsequent transaction in accordance with the rules of such Principal Market.

Section 6.18 Other Transactions. The Company shall not enter into, announce or recommend to its shareholders any agreement, plan, arrangement or transaction in or of which the terms thereof would restrict, materially delay, conflict with or impair the ability or right of the Company to perform its obligations under the Transaction Documents, including, without limitation, the obligation of the Company to deliver the Shares to the Investor in accordance with the terms of the Transaction Documents.

Section 6.19 Integration. From and after the date of this Agreement, neither the Company, nor or any of its affiliates will, and the Company shall use its commercially reasonable efforts to ensure that no Person acting on their behalf will, directly or indirectly, make any offers or sales of any security or solicit any offers to buy any security, under circumstances that would require registration of the offer and sale of any of the Securities under the Securities Act.

Section 6.20 Limitation on Variable Rate Transactions. From the date hereof until the earlier of (i) the date that the Investor has purchased \$7.5 million in Common Shares hereunder or (ii) six (6) months after any Termination hereunder, the Company shall be prohibited from effecting or entering into an agreement to effect any issuance by the Company of Common Shares or Common Share Equivalents (or a combination of units thereof) involving a Variable Rate Transaction, other than in connection with an Exempt Issuance. The Investor shall be entitled to seek injunctive relief against the Company to preclude any such issuance, which remedy shall be in addition to any right to collect damages, without the necessity of showing economic loss and without any bond or other security being required. “Common Share Equivalents” means any securities of the Company which entitle the holder thereof to acquire at any time Common Shares, including, without limitation, Common Shares, any debt, preferred shares, rights, options, warrants or other instrument that is at any time convertible into or exercisable or exchangeable for, or otherwise entitles the holder thereof to receive, Common Shares. “Variable Rate Transaction” means a transaction in which the Company (i) issues or sells any equity or debt securities that are convertible into, exchangeable or exercisable for, or include the right to receive additional Common Shares or Common Share Equivalents either (A) at a conversion price, exercise price, exchange rate or other price that is based upon and/or varies with the trading prices of or quotations for the Common Shares at any time after the initial issuance of such equity or debt securities (including, without limitation, pursuant to any “cashless exercise” provision), or (B) with a conversion, exercise or exchange price that is subject to being reset at some future date after the initial issuance of such equity or debt security or upon the occurrence of specified or contingent

events directly or indirectly related to the business of the Company or the market for the Common Share (including, without limitation, any “full ratchet” or “weighted average” anti-dilution provisions, but not including any standard anti-dilution protection for any reorganization, recapitalization, non-cash dividend, share split, reverse share split or other similar transaction), (ii) issues or sells any equity or debt securities, including without limitation, Common Shares or Common Share Equivalents, either (A) at a price that is subject to being reset at some future date after the initial issuance of such debt or equity security or upon the occurrence of specified or contingent events directly or indirectly related to the business of the Company or the market for the Common Shares (other than standard anti-dilution protection for any reorganization, recapitalization, non-cash dividend, share split, reverse share split or other similar transaction), or (B) that is subject to or contains any put, call, redemption, buy-back, price-reset or other similar provision or mechanism (including, without limitation, a “Black-Scholes” put or call right) that provides for the issuance of additional equity securities of the Company or the payment of cash by the Company, or (iii) enters into any agreement, including, but not limited to, an “equity line” that is not an Exempt Issuance or other continuous offering or similar offering of Common Shares or Common Share Equivalents, whereby the Company may sell Common Shares or Common Share Equivalents at a future determined price. “Exempt Issuance” means the issuance of (a) Common Shares, options, restricted stock units or other equity incentive awards to employees, officers, consultants, directors or vendors of the Company pursuant to any equity incentive plan duly adopted for such purpose, by the Board of Directors of the Company or a majority of the members of a committee of directors established for such purpose, (b) any Shares issued to the Investor pursuant to this Agreement, (c) Common Shares, Common Share Equivalents or other securities issued to the Investor pursuant to any other existing or future contract, agreement or arrangement between the Company and the Investor, (d) Common Shares, Common Share Equivalents or other securities upon the exercise, exchange or conversion of any Common Shares, Common Share Equivalents or other securities held by the Investor at any time, (e) any securities issued upon the exercise or exchange of or conversion of any Common Share Equivalents issued and outstanding on the date hereof, provided that such securities or Common Share Equivalents referred to in this clause (e) have not been amended since the date hereof to increase the number of such securities or Common Shares underlying such securities or to decrease the exercise price, exchange price or conversion price of such securities, (f) Common Share Equivalents that are convertible into, exchangeable or exercisable for, or include the right to receive Common Share at a conversion price, exercise price, exchange rate or other price (which may be below the then current market price of the Common Shares) that is fixed at the time of initial issuance of such Common Share Equivalents (subject only to standard anti-dilution protection for any reorganization, recapitalization, non-cash dividend, share split, reverse share split or other similar transaction), which fixed conversion price, exercise price, exchange rate or other price shall not at any time after the initial issuance of such Common Share Equivalent be based upon or varying with the trading prices of or quotations for the Common Shares or subject to being reset at some future date, (g) securities issued pursuant to acquisitions, divestitures, licenses, partnerships, collaborations or strategic transactions approved by the Board of Directors of the Company or a majority of the members of a committee of directors established for such purpose, which acquisitions, divestitures, licenses, partnerships, collaborations or strategic transactions can have a Variable Rate Transaction component, provided that any such issuance shall only be to a Person (or to the equity holders of a Person) which is, itself or through its subsidiaries, an operating company or an asset in a business synergistic with the business of the Company and shall provide

to the Company additional benefits in addition to the investment of funds, but shall not include a transaction in which the Company is issuing securities primarily for the purpose of raising capital or to an entity whose primary business is investing in securities, and (h) Common Shares issued pursuant to an “at-the-market offering” by the Company exclusively through a registered broker-dealer acting as agent of the Company pursuant to a written agreement between the Company and such registered broker-dealer (an “ATM Agreement”), provided that the Company issues to the Investor that number of Common Shares having an aggregate dollar value equal to \$200,000 based on a per Common Share price equal to the simple average of the daily VWAP of the Common Shares during the ten (10) Trading Days immediately following the date upon which the Company executes any such ATM Agreement (which such Common Shares, for the avoidance of doubt, shall be treated hereunder as Additional Commitment Fee Shares).

Section 6.21 DTC. The Company shall take all action necessary to ensure that its Common Shares can be transferred electronically as DWAC Shares. “DWAC Shares” means Common Shares that are (i) issued in electronic form, (ii) freely tradable and transferable and without restriction on resale and (iii) timely credited by the Company to the Investor’s or its designee’s specified Deposit/Withdrawal at Custodian (“DWAC”) account with DTC under its Fast Automated Securities Transfer (FAST) Program, or any similar program hereafter adopted by DTC performing substantially the same function, in accordance with the terms of this Agreement.

Section 6.22 Non-Public Information. Each party hereto agrees not to disclose any Confidential Information of the other party to any third party and shall not use the Confidential Information for any purpose other than in connection with, or in furtherance of, the transactions contemplated hereby in full compliance with applicable securities laws; provided, however that a party may disclose Confidential Information that is required by law to be disclosed by the receiving party, provided that the receiving party gives the disclosing party prompt written notice of such requirement prior to such disclosure and assistance in obtaining an order protecting the information from public disclosure. Each party hereto acknowledges that the Confidential Information shall remain the property of the disclosing party and agrees that it shall take all reasonable measures to protect the secrecy of any Confidential Information disclosed by the other party. The Company confirms that neither it nor any other Person acting on its behalf shall provide the Investor or its agents or counsel with any information that constitutes material, non-public information, unless a simultaneous public announcement thereof is made by the Company in the manner contemplated by Regulation FD under the Exchange Act. In the event of a breach of the foregoing covenant by the Company or any Person acting on its behalf (as determined in the reasonable good faith judgment of the Investor), in addition to any other remedy provided herein or in the other Transaction Documents, the Investor shall have the right to make a public disclosure, in the form of a press release, public advertisement or otherwise, of such material, non-public information without the prior approval by the Company; provided the Investor shall have first provided notice to the Company that it believes it has received information that constitutes material, non-public information, the Company shall have at least twenty-four (24) hours to publicly disclose such material, non-public information prior to any such disclosure by the Investor, and the Company shall have failed to publicly disclose such material, non-public information within such time period. The Investor shall not have any liability to the Company, any of its Subsidiaries, or any of their respective directors, officers, employees, shareholders or agents, for any such disclosure. The Company understands and confirms that the Investor shall be relying on the foregoing covenants in effecting transactions in securities of the Company.

ARTICLE VII
CONDITIONS FOR DELIVERY OF ADVANCE NOTICE

Section 7.01 Conditions Precedent to the Right of the Company to Deliver an Advance Notice. The right of the Company to deliver an Advance Notice and the obligations of the Investor hereunder with respect to an Advance is subject to:

- (a) the satisfaction by the Company, on each Advance Notice Date (a “Condition Satisfaction Date”), of each of the following conditions:
- (b) Accuracy of the Company’s Representations and Warranties. The representations and warranties of the Company in this Agreement shall be true and correct in all material respects.

- (d) Authority. The Company shall have obtained all permits and qualifications required by any applicable state for the offer and sale of all the Common Shares issuable pursuant to such Advance Notice, or shall have the availability of exemptions therefrom. - (f) Performance by the Company. The Company shall have performed, satisfied and complied in all material respects with all covenants, agreements and conditions required by this Agreement to be performed, satisfied or complied with by the Company at or prior the applicable Condition Satisfaction Date (for the avoidance of doubt, if the Company shall have performed, satisfied and complied in all material respects with all covenants, agreements and conditions required by this Agreement at the time of the applicable Condition Satisfaction Date, but did not comply with any timing requirement set forth herein, then this condition shall be deemed satisfied unless the Investor is materially prejudiced by the failure of the Company to comply with any such timing requirement).

ARTICLE VIII NON-DISCLOSURE OF NON-PUBLIC INFORMATION

The Company covenants and agrees that, other than as expressly required by Section 6.08 hereof or, with the Investor's consent pursuant to Section 6.01(c) and 6.13, it shall refrain from disclosing, and shall cause its officers, directors, employees and agents to refrain from disclosing,

any material non-public information (as determined under the Securities Act, the Exchange Act, or the rules and regulations of the SEC) to the Investor without also disseminating such information to the public, unless prior to disclosure of such information the Company identifies such information as being material non-public information and provides the Investor with the opportunity to accept or refuse to accept such material non-public information for review. Unless specifically agreed to in writing, in no event shall the Investor have a duty of confidentiality, or be deemed to have agreed to maintain information in confidence, with respect to the delivery of any Advance Notices.

ARTICLE IX NON EXCLUSIVE AGREEMENT

Notwithstanding anything contained herein, this Agreement and the rights awarded to the Investor hereunder are non-exclusive, and the Company may, at any time throughout the term of this Agreement and thereafter, issue and allot, or undertake to issue and allot, any shares and/or securities and/or convertible notes, bonds, debentures, options to acquire shares or other securities and/or other facilities which may be converted into or replaced by Common Shares or other securities of the Company, and to extend, renew and/or recycle any bonds and/or debentures, and/or grant any rights with respect to its existing and/or future share capital.

ARTICLE X CHOICE OF LAW/JURISDICTION

This Agreement shall be governed by and interpreted in accordance with the laws of the State of New York without regard to the principles of conflict of laws. Comera Life Sciences Announces Up To \$15 million Purchase Agreement with Arena Business Solutions

WOBURN, Mass. — August 31, 2022 — Comera Life Sciences Holdings, Inc. (Nasdaq: CMRA) (“Company” or “Comera”), a life sciences company developing a new generation of bio-innovative biologic medicines to improve patient access, safety and convenience, today announced entry into a purchase agreement with Arena Business Solutions Global SPC II, Ltd. (“Arena”) for up to \$15 million of the Company’s common stock, with an option to increase by an additional \$15 million to \$30 million.

“The line of credit provides the opportunity to invest in our pipeline and proprietary formulation platform, SQore™, which is designed to transform intravenous biologics into subcutaneous versions that patients can self-administer in a single dose,” said Jeffrey Hackman, President, Chief Executive Officer and Chairman of Comera. “Strengthening our balance sheet will help us achieve our strategic objectives in the near-term, and we are grateful for Arena’s commitment to Comera’s success.”

After the SEC declares a resale registration statement effective relating to the transaction, Comera will have the right and the sole discretion to sell to Arena up to \$15 million worth of shares over a 36-month period subject to certain limitations. Comera will control the timing and amount of any future investment and Arena will be obligated to make purchases in accordance with the purchase agreement and at a price based on 96% of the volume-weighted average trading price of common stock on the day of each sale. In the event Comera determines to sell any shares of its common stock under the purchase agreement the Company intends to use proceeds from the purchase agreement to fund working capital and general corporate purposes.

Arena has agreed not to cause or engage in any manner whatsoever, any direct or indirect short selling or hedging of the Company’s common stock. No warrants, derivatives, or other share classes are associated with this agreement. In consideration for entering into the agreement, Comera has issued shares of common stock to Arena as a commitment fee and will issue additional commitment fee shares to Arena if the Company exercises its option to increase the commitment amount.

A more detailed description of the agreement is set forth in the Company’s Current Report on Form 8-K to be filed with the SEC.

The offer and sale of the securities by the Company in the above transaction have not been registered under the Securities Act of 1933, as amended (the “Securities Act”), and have not been registered or qualified under any state securities laws, and therefore may not be offered or sold in the United States absent registration under the Securities Act or an applicable exemption from such registration requirements, and registration or qualification and under applicable state securities or “Blue Sky” laws or an applicable exemption from such registration or qualification requirements. The Company has agreed to file a registration statement with the SEC to register the resale by Arena of the shares of common stock to be purchased by Arena under the purchase agreement.

This press release does not constitute an offer to sell or a solicitation of an offer to buy the securities in this offering, nor there be any sale of these securities in any jurisdiction in which such offer solicitation or sale are unlawful prior to registration or qualification under securities laws of any such jurisdiction.

Forward-Looking Statements

This press release contains “forward-looking statements” within the meaning of the federal securities laws including statements regarding our ability to execute on our business strategy and our ability to access the \$15 million in proceeds under the purchase agreement, or to exercise the option for an additional \$15 million, due to the limitations contained in the purchase agreement. These forward-looking statements generally are identified by the words “believe,” “project,” “expect,” “anticipate,” “estimate,” “intend,” “strategy,” “future,” “opportunity,” “plan,” “may,” “should,” “will,” “would,” “will be,” “will continue,” “will likely result,” and similar expressions. Forward-looking statements are predictions, projections and other statements about future events that are based on current expectations and assumptions and, as a result, are subject to risks and uncertainties. Many factors could cause actual future events to differ materially from the forward-looking statements in this document, including, but not limited to: risks that the limitations in the purchase agreement will limit our sales and/or prevent us to exercise our option or that we will need to seek stockholder approval, which we may not be able to obtain, to remove such limitations; that the recently completed business combination disrupts the Company’s current plans and ability to retain its employees; the Company’s ability to maintain the listing of its securities on the Nasdaq Capital Market; the effect of the COVID-19 pandemic on the Company’s business; the price of the Company’s securities may be volatile due to a variety of factors, including changes in the competitive and highly regulated industries in which the Company plans to operate, variations in performance across competitors, changes in laws and regulations affecting the Company’s business and changes in the capital structure; the ability to implement business plans, forecasts, and other expectations and identify and realize additional opportunities; the risk of downturns and the possibility of rapid change in the highly competitive industry in which the Company operates; the risk that the Company and its current and future collaborators are unable to successfully develop and commercialize the Company’s products or services, or experience significant delays in doing so; the risk that we will be unable to continue to attract and retain third-party collaborators, including collaboration partners and licensors; the risk that the Company may never achieve or sustain profitability; the risk that the Company will need to raise additional capital to execute its business plan, which may not be available on acceptable terms or at all; the risk that the Company experiences difficulties in managing its growth and expanding operations; the risk that third-party suppliers and manufacturers are not able to fully and timely meet their obligations; the risk that the Company is unable to secure or protect its intellectual property; the risk that the Company is unable to secure regulatory approval for its product candidates; general economic conditions; and other risks and uncertainties indicated in the Current Report on Form 8-K filed with the SEC on May 25, 2022 under “Risk Factors” and in other filings that have been made or will be made with the SEC. The foregoing list of factors is not exhaustive. You should carefully consider the foregoing factors and the other risks and uncertainties

described in the “Risk Factors” section of Comera’s Current Report on Form 8-K filed with the SEC on May 25, 2022 and other documents filed by Comera from time to time with the SEC. These filings identify and address other important risks and uncertainties that could cause actual events and results to differ materially from those contained in the forward-looking statements. Forward-looking statements speak only as of the date they are made. Readers are cautioned not to put undue reliance on forward-looking statements, and Comera assumes no obligation and does not intend to update or revise these forward-looking statements, whether as a result of new information, future events, or otherwise. Comera can give no assurance that it will achieve its expectations.
